

Wonder Woman Retreat Jordan

WISDOM o/T WOMB, SEPT 8 - 15

8 day Wonder Woman Journey

A JOURNEY INCLUDING 3 WORLD HERITAGE SITES: PETRA - WADI RUM - DEAD SEA

The Monastery in World Heritage Site Petra,
Jordan

*This fall my Amsterdam friend and founder of Wonder Woman Projects Natasja Kok will join us for a liberating retreat under the starry sky of Jordan. Deepen awareness in the valley of the moon. It's vastness, beauty and stillness allowing for a courageous and gentle unfolding of your hearts truth and the **Wisdom of our Womb**. This week especially with **Full Moon energy**!*

*We will take you on a journey of breaking free from your habitual consciousness and your pre-programmed attitudes and responses to life. We go beyond the veils of your daily behavior. We go into the depths to the place where every woman carries her **wisdom & magic**: her womb.*

*The deepest, oldest secrets of life lie in the womb of every woman. **The womb is the holiest temple** and the most energetic place in your body. It is the source of your soul which is connected to the source of the universe. It is from this powerful place your inner voice, deepest guidance, clarity, joy and creativity spring. **It is your original voice and connection to the web of life**, the web of interdependence that connects all living beings.*

We will practice yoga, meditations, engage with horses, dance, share in sacred circle, offer blessings to the fire & stars and allow the essence of our womb to rise up and shine.

*Prepare for an unforgettable exploration into the dessert of Jordan in search of **raw beauty, stillness and intuitive wisdom**.*

Ahlan wa Sahlan - Welcome - Natasja & Sandra

8 day Wonder Woman Journey

the desert is full of enchantment and beauty – this captivating place invites you to be nourished by its embrace

Wadi Rum - Valley of the Moon

Expand and deepen your awareness in the beautiful desert of Jordan. Connect to the wisdom of the fire, stars, wind, birds and horses. Listen to the whispers of your soul, connect to the magic of your womb and be inspired to transform your reality.

Enjoy yoga with magnificent views of world heritage sites Wadi Rum and Petra, float in the Dead Sea and allow the minerals of the water to nourish your body. Sleep under the stars, chant in the desert, reflect with horses and share in sacred circle. Wander barefoot in the desert, reclaim the power of water, connect to the earth, send your wishes to the stars and reconnect to your courageous heart.

"I'm so grateful I chose to visit Jordan! The retreat exceeded all my expectations. Through yoga and meditation, desert treks and mountain hikes, as well as the powerful coaching work with horses, Sandra created a supportive environment that allowed me to open my heart and mind to healing and transformation. For me, the trip started out as an adventure to discover a new country and became a pilgrimage to discover myself. I returned home feeling peaceful, strong and inspired, with new friends and new energy. I highly recommend Sandra and her retreats." Christina M., Switzerland

ABOUT YOUR HOSTS

Sandra Jelly is an artist, social entrepreneur, certified yoga teacher and systemic coach with horses. She started exploring yoga in 2001 in Amsterdam. In 2009 - following her inner wish of living her passions for the arts and horses- she packed her brushes and yoga mat, put on her horse boots and came for a sabbatical to Petra, Jordan. When her horse got pregnant she decided to stay and let the horses lead her way. It was the beginning of her adventure of discovering and expressing herself in the most authentic way.

Sandra works with her herd of Arab horses in Wadi Rum. Horses invite us to become fully present in the now, to face and accept our past, to show us where the life energy wants to take us, to let go of limiting beliefs and to encourage us to stand in our truths. They take us on a loving soul journey for us to become whole. In this work Sandra combines constellation work, visualization, body work, her horse connection and systemic coaching to guide you on your journey.

Sandra is a certified PSCYH-K facilitator, a certified equine assisted systemic coach (Netherlands), Reiki master, Peter Hess Sound Massage practitioner and 200 HR certified yoga teacher Vinyasa Flow and Yoga Nidra (India). Next to that she has followed three trainings on Shamanic Healing with Sandra Ingerman (Shift Network).

Her work has featured in the National Geographic, Lonely Planet, UK independent, Vogue Arabia, Mojeh and Fodor's magazine.
